Objectives – At the conclusion of the activity, participants should be able to:

- Identify at least 3 new online resources to enhance the Child Care Health Consultant (CCHC) role.
- Use the health and safety items in the Environmental Rating Scale (ERS) scores to enhance provision of onsite CCHC services.
- Identify specific resources to educate early learning practitioners about medication administration, improving nutrition and physical activity, and improving care for children with special health care needs.

Time for your questions and answers.

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Pittsburgh School of Medicine and the Pennsylvania Chapter of the American Academy of Pediatrics. The University of Pittsburgh School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this educational activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Each physician should only claim credit commensurate with the extent of their participation in the activity. Other health care professionals are awarded (0.15) continuing education units (CEU's) which are equivalent to 1.5 contact hours. Presenters for this program have been requested to identify significant financial or other relationships with manufacturer(s) of any commercial product(s) or with provider(s) of any commercial service(s) which, in the context of their topics, could be perceived as real or apparent conflicts of interest.

Disclosures: No disclosures to report.

Professional development costs have been underwritten by the PA Department of Public Welfare, Office of Child Development and Early Learning (OCDEL).

We encourage participation by all individuals. Advance notification of any special needs will help us better serve you. Please notify us of your needs at least two weeks in advance of the program.
