

# Region III T/TA Network

## Building Strong Relationships with Families

Hosted by the PA Head Start Association

National Center on  
Parent, Family, and Community Engagement

### Description

As we build relationships with families and become partners, successful goal-setting experiences rely on strong partnerships and communication. Join the National Center on Parent, Family, and Community Engagement (NCPFCE) to explore tools, strategies, engaging interactions, and reflection as you cultivate positive goal-oriented relationships in your program. Participants will connect the PFCE Framework, Relationship-Based Competencies, and the Family Services Managers' Seasonal Program Planning Tool to assist in enhancing knowledge, skills, and individual practices to promote effective family engagement and positive outcomes.

***\*The PA Head Start Association will require a registration fee to cover their costs and expenses. All expenses associated with travel are the responsibility of the recipient.***
